Fred Smith, Green Bay, Wis., says: "Foley Kidney Pills completely relieved me of all soreness and pain in the back and I am now strong and well as ever." Catarrhal Deafness Cannot Be Cured

by local applications, as they cannot reach the diseased portion of the ear. There is only one way to cure catarrhal deafness, and that is by a constitutional remedy. Catarrhal Deafness is caused by an inflamed condition of the mucous lining of the Eustachian Tube. When this tube is inflamed you have a rumbling sound or imperfect hearing, and when it is entirely closed, deafness is the result. Unless the inflammation can be reduced and this tube restored to its normal condition, hearing will be destroyed forever. Many cases of deafness are caused by catarrh, which is an inflamed condition of the mucous surfaces. Hall's Catarrh Cure acts thru the blood on the mucous surfaces of the system.

We will give One Hundred Dollars for any case of Catarrhal Deafness that cannot be cured by Hall's Catarrh Cure. Circulars free. "All Druggists, 75c."

The Dutch Waterstaat.

The supreme defense of Holland must be the "water line" through the heart of it from the Zuyder Zee to the Scheldt, created by opening the sluices. Holland has a department of state, with a cabinet minister at the head of it, for her "waterstaat," an untranslatable word, which means, practically, the state of all waters from the field-drain in the polders to the Rhine at winter level. They are all linked up in one scheme in an office at The Hague.—London Daily Chronicle.

Signs Shot into Place.

A gun which shoots signs into place has been invented, which, in appearance, is not unlike a shotgun. The sign, which it discharges, is rolled tightly about a heavy stick and a cord is attached to a tack which is temporarily fastened, point out, at one end of this. The other end of the string is fastened to the top of the sign. When the instrument is loaded with one of these and the trigger pulled, heavy springs furnish the propelling force, which sends the roll endwise through the air like an arrow, at whatever object it is aimed. The tack imbeds itself, while the jar of the impact loosens the sign and makes it unroll, falling into place.

WAR UPON PAIN!

Pain is a visitor to every home and usually it comes quite unexpectedly. But you are prepared for every emergency if you keep a small bottle of Sloan's Liniment handy. It is the greatest pain killer ever discovered. Simply laid on the skin—no rubbing required—it drives the pain away. It is really wonderful.

Mervin H. Soister, Berkeley, Cal., writes: "Last Saturday, after tramping around the Panama Exposition with wet feet, I came home with my neck so stiff that I couldn't turn. I applied Sloan's Liniment freely and went to bed. To my surprise, next morning the stiffness had almost disappeared; four hours after the second application I was as good as new."

SHINING TRUTHS.

"Sawney" Webb becomes the "dear old man" again, for nobody can hold a grudge against an honest man like him, no matter how wild his emotions may be or how far afield they may carry him.
